

# BUS PARKING LOCATIONS FOR CAPITOL TOURS

## ATTENTION: TEACHERS AND BUS DRIVERS

Busses are not allowed to park at the north entrance of the Capitol on 'K' Street. Busses are allowed to stop and unload students, and should not block crosswalks or driveways, and then proceed south of the Capitol to specially designated bus parking areas. (See map on other side.)

Bus parking is marked with bus parking signs, or with no parking signs to warn off other vehicles. The Lincoln Police Department has authorized bus parking only in these two designated areas.

After the tour and visit, students will be directed out the south door of the Capitol for reloading onto the busses on 'H' Street.

Thank you for your cooperation, please call us at (402) 471-0448 if you have any questions or concerns about bus parking.
